GRANT OF LICENSE - This License Agreement (License) permits you to use a single login, on a single domain name (URL). The Software is licensed as a single product, to an individual user, or group of users for Multiple User Licenses and Site Licenses. This Agreement requires that each user of the Software be Licensed, either individually, or as part of a group. A Multi-User License provides for a specified number of users to use this Software at any time. This does not provide for concurrent use across multiple domain names (URL's) unless specifically agreed upon and ordered as such at an additional cost above the normal licensing fee. Each user of this Software must be covered either individually, or as part of a group Multi-User License. The Software is in use on a computer when it is accessed via web browser, a user logs in, or the software is hyperlinked from any source. The software may only be contained (whether built in or framed) within one primary domain name (URL), unless specifically agreed upon in the service agreement
